PARISH YOUTH AMBASSADORS The Archdiocese of Perth has initiated a programme to recruit young people from various parishes as "Youth Ambassadors" to represent their parish community. The role of these Ambassadors are to encourage young people within their church community and help the parish recognise the potential amongst their youth. Parishes within the Archdiocese have appointed 'Youth Ambassadors' to take on the tasks to advocate and engage young people in our Church. On 11th November, two Youth Leaders from our parish attended the Youth Ambassadors Commissioning Mass at St Mary's Cathedral with Archbishop Costelloe, and were each presented with their official gold coloured badge. **Our parish Youth Ambassadors for 2019 are Gabrielle Gressieux and Caiden Vales De Menezes.**

CHILDRENS BULLETIN In today's Gospel-Jesus tells his friends that one day the world will end, and then he will come back again. Everything else might change, but Jesus never changes.

FOOD FOR THOUGHT The readings today speak of the end of the world and the coming of the kingdom. The bishops' pastoral on stewardship says clearly "that 'life to come' is in continuity with this present life through the human goods, the worthy human purposes, which people foster now." May our good stewardship help us to be numbered among the chosen on the last day!

MARK KELLY

Life is like a jigsaw puzzle. A big, complicated one with many pieces. Some days all the pieces seem to be randomly scattered over the floor with no apparent pattern or connection. Then you will find pieces that fit in perfectly and others, no matter how you try to force them, refuse to fit. At other times, people attempt to help you solve the puzzle, but this only increases the frustration as their input is not always helpful, no matter how well intentioned.

Maybe our faith is sometimes a bit of a puzzle as well. We go through life picking up clues as to where best to fit the pieces and at other times we are utterly bewildered by all that is in front of us. The challenges sometimes seem insurmountable. Even with the best of intentions, we still seem to struggle.

Just when we think we have got all the pieces to fit, life throws a curveball and tips the puzzle upside down, throwing the pieces everywhere. Once again, we find ourselves bewildered and wondering what went wrong. This is the never-ending passage of life. It certainly can throw up challenges and disrupt our game. The trick is to never give up trying to put the pieces in their places. Walk lightly.
