"What do you think God
is asking of us in Australia today?"

PENTECOST SUNDAY Year B 20 May 2018

CONGRATULATIONS TO OUR CONFIRMANDS!

There are 42 candidates receiving the Sacrament – let's pray that they will receive the strength to really be great members of the People of God. The gift of the Holy Spirit is the opening up of opportunities to have a missionary aspect to our faith journey. Not just the young people confirmed this weekend, but also those of us who are confirmed – it is a timely reminder for all of us

PLENARY COUNCIL 2020 The Catholic Bishops of Australia have decided to convene a Plenary Council for 2020 A copy of a letter from Archbishop Costelloe SDB to the people of the Archdiocese, about the council, is available at the back of the church. Archbishop Costelloe says: *"This is a significant moment for the Catholic Church in Australia and I look forward to walking with people of God as we look towards the future. No matter where you might find yourself in relation to the Church – deeply involved, only partially engaged, uncertain or disillusioned, on the margins, or a friendly or critical outsider looking in - we need to hear from you for we are sure that God speaks to us all: and the Church needs to listen to everyone."*

PLANNED GIVING envelopes conclude at the end of June. Mothers

I wrote last week of the ordinary becoming the extraordinary. This would certainly apply to mothers. I apologize for overlooking the fact that last Sunday was Mother’s Day.

I think it is an important day on the calendar. Jesus mother Mary played a significant role in his life and is revered in many religions. The impact mothers have on their children can never be underestimated. They influence their children in many ways. So a belated happy Mother’s Day to all the mothers in the parish.

I remember my own mother fondly and many of the lessons she taught me. She instilled in me a love and respect for people, no matter their circumstances or station in life. She was steadfast in her faith and was a teacher of Catechism in our local state schools.

She had a fierce determination and never complained about the challenges that life threw up to her. So for me, she was a great influence and inspiration, I was blessed to have two loving parents in my life.

So I believe we should support and encourage all mothers in our society. It is a tough but important job. To all the mother out there, bless you and I hope you were spoiled last Sunday!
