Scripture and the church's history give us many examples of the great impact when a whole community undertakes prayer and fasting together. Join us for a month of prayer and fasting to be held in parishes, schools and homes across the nation during the month of October 2017. CHILDRENS BULLETIN In the gospel today, Jesus tells a story about a man and his two sons. The father asks both sons to work in his vineyard. The first says “no”, but then goes. The second son says he will help, but he doesn’t go. Which son is doing what the father wants?

MASS TO CELEBRATE THE FEAST OF ST FRANCIS will take place at 10am Mass next Sunday October 8th followed by morning tea in the Chapter Room.

MERCY ASSOCIATES VARIETY CONCERT

Sunday 22 October 2017 at Aranmore Primary School Gym, 20 Brentham Street Leederville (Limited Parking). All proceeds go to “Mercy Works”. Tickets only \$15 available from Sr Clare 93455471, Josie 0488064044 and also at the

door. Afternoon tea at intermission. Skits, Rattles, Door Prizes Mustard Seeds & Elvis, Beryl’s Troop, Carmel Charlton, Jane McCabe, and lots of laughs.

CRYING ROOM. Please remember that this is not a place to take children as a first option or as a place to be all through Mass. It is a place to settle children who may be distressed or crying; and once settled to return to the main body of the Church. It is certainly NOT the place to go if you are late for Mass – Hence the name CRYING ROOM.

WITH GRATEFUL THANKS I would just like to thank you for your wonderful generosity to both the Parish and to the Parish clergy over many Sundays and years. You are truly fantastic. A few parishioners have asked which Church collections are used for what. The first collection (at the Preparation of the Gifts) is for the support of the priest. The Second collection – Planned Giving and Loose Money is for the support of the Parish.

MARK KELLY.

Beliefs
 Should politics and sport be mixed?

What about politics and religion?

Is there a place in politics for religion?

At present in the US, some of their footballers are kneeling when the US National anthem is being played.

The players are predominantly African American and are kneeling as a protest against police violence against black people in the US. Without getting in to the rights or wrongs of their protest, I feel it is another example of people who strongly believe in something putting their beliefs on public display, with the added complexity of their employment being on the line. They seem to truly believe in what they are doing.

Now to us. Would we stand up as publicly for our beliefs? I believe we have a fairly comfortable existence in regards to our beliefs. We are rarely required to stand up and be counted in regards to them. Let us hope we would be strong enough if called upon to defend our beliefs.
